

Platform for Partnerships (PfP)

Thursday, 29 June 2017, 8.30-10.30 a.m.

Outline and Agenda

The PfP is a highlight of the GFMD and participants appreciate the practical insights. In order to be fair to everyone presenting, to keep the audience interested and to keep within the time frame, we kindly ask you to provide your presentation following the guidelines below. Please note that you do not have to give a PowerPoint presentation, this is only an option, but your presentation should address the questions outlined below.

Set-Up: *all main presenters are already on stage in chairs before the start, partners sit in front row*

- 8.30 – 8.35 Introduction by co-chair: **Mr. Tarik Sissou**, Head of Multilateral Cooperation Division, Ministry Delegate to the Minister of Foreign Affairs and International Cooperation in Charge of Moroccans Living Abroad and Migration Affairs
- 8.35 – 8.40 Introduction by moderator, **Astrid Ziebarth**, German Marshall Fund, introduces presenters (*panel style set-up, each project represented by **one person**, support or partner people can be seated in first row and mics will be available for them to contribute/add*)
- 8.40 - 8.50 **Quick elevator pitch on panel:** each presenter briefly states the **one main takeaway/insight** that the audience should remember from their presentation. Think of it like a commercial- why is your topic important and why should the audience care what you have to say? (*2min per person*)

- Presentations: 10 minutes maximum, no more than 5 slides, see details for presentations below –

5 slides maximum, please use pictures as much as possible, they often convey more than words:

- Slide 1: Topical area, what is the main policy challenge you are addressing?
- Slide 2: What is your "solution" or approach/project?
- Slide 3: What are some of the challenges you encountered with the project and advice to (other) Governments/actors interested in getting involved in this area/approach?
- Slide 4: What insights or recommendations come out of your project for the Global Compacts?
- Slide 5: Anything else, pictures
