Health Service Providing

Mother and Child Health

Lessons learnt

- National Migrant Policy: Carbinet Approve
- Improve Participation: Migrant Health Workers
- Holistic Concept: Social, Environment
- Intersectoral coordination: Among Ministries, NGO
- Promote Improving Access to Health Service System,
- Equity: Same Benefit Package as Universal coverage Program.
- Appropriate Tactics in Different contexts
- The more undocumented, the more exploitation and trafficking

New Initiative

- 15th Jan 2013 Cabinet approved
 - MoPH Migrant health long term Strategy
 - Not just migrant workers but families and children
 - Documented and Undocumented Children health insurance, 12 US dollars for a year
- 

THE END

THANK YOU
